

Barn Hunt Introductory Rat-n-Go

Stumptown Cluster Portland Kennel Club & Combined Specialties

July 17-19, 2015

Portland Expo Center

Portland Oregon

\$20 pre-entries \$25 day of show

Each hour long workshop is limited to 6 teams

Open to all Breeds and Mixed Breeds

The training clinic is open to all dogs and handlers and will be taught from the novice handler's perspective. A short briefing regarding the structure and rules of the sport is followed by intro to quarry, which has teams working with the instructor in a round robin format and introduces the dogs to live caged rats in a safe and controlled environment. Intro to tubes transitions the dogs from the sight & smell of the rat, to relying on their "inner ratter" to locate rats in protective tubes. Rat care and safety is paramount in the sport, no rats are harmed during any barn hunt event. Practice runs on regulation courses are not part of this introductory session.

The outdoor clinic area will be fenced, but may not be impassible to determined dogs, all dogs will be on leash during their session. Bitches in heat can participate in the Sunday clinic and will be segregated from the other dogs.

Clinic times will be assigned after the Specialty & PKC Judging Program is posted, those with pre-entries will get preferential scheduling. Tentative clinic hours are Friday, late am till 4:00 PM, all day Saturday, and Sunday morning. Day of show entries accepted as space allows.
